

# COLORADO ROOM

The Colorado Room is a Big Lodge Style room with natural wood ceilings and walls. The focal point is a large rock fireplace at the end of the room, flanked by two picture windows that overlook the Colorado River. A separate foyer area (560 sq. ft.) is done in natural wood, furnished with modern log furniture and decorated with movie memorabilia from movies filmed at the ranch or near-by. The Colorado Room is adjacent to an outside deck that overlooks the Colorado river. The deck is 1,250 sq. ft. and has its own outside BBQ for special group dinners.
